

## Sports Premium report to governors, July 2024

### Our desired outcomes 2024-27

- All children from years 1 to 6 to participate regularly in competitive and non-competitive inter-school and inter-house sports events.
- The opportunity to take part in high quality extra-curricular sports clubs
- All children to meet the National Curriculum swimming requirements by the end of key stage 2
- Continue to develop and deepen expertise in sports coaching and teaching

### Sports Premium Grant

2023-4: £17,350

### Plans for expenditure in 2024-25

- Continue to lead the area PE partnership by employing the School Sports Co-ordinator.
- Provide inter-school and inter-house sporting opportunities for children throughout the school.
- Maintaining our extra-curricular sports offer for pupils in KS1 and 2.
- Training for teachers and TAs in delivering high quality PE teaching across the school.
- Continue to prioritise minimum NC swimming requirements for children in Y4 and 5.

### How has the Sports Premium been spent in 2023-24?

Objective	Activity	Cost	Impact
All children from years 1 to 6 to participate regularly and competitively in inter-school and inter-house sports events.	GVS employ the Cromer and Sheringham School Sports Partnership co-ordinator and participate regularly.  We have organised termly inter-house events to increase participation for all pupils.	Our share of membership £1000.  Transport to inter-school events £3000.	Children across KS1 and 2 have been able to enter a range of competitive and non-competitive events throughout the year at school and across the partnership.

<p>Provide a range of high quality extra-curricular sports clubs</p>	<p>Sports and outdoor based extra-curricular clubs were provided throughout the year eg fitness, dance, rugby.</p>	<p>Dance teacher £1200 Other staffing costs: £1000</p>	<p>We noticed a fall in take up of extra-curricular clubs following the pandemic and reviewed our provision for 23-24. This led to a 70% increase in children accessing extra-curricular clubs.</p>
<p>All children to meet the National Curriculum swimming requirements by the end of key stage 2</p>	<p>Swimming lessons for children in years 5 and 6 who did not meet NC requirements.</p>	<p>Transport and lessons: £2500 School staffing costs: £300</p>	<p>We continued to play catch up in trying to get all pupils to swim 25 metres by the end of Y5. By summer 24, all year 6 pupils met NC requirements.</p>
